## Hymn

All

1. Jesu, lover of my soul,  
Let me to thy bosom fly,  
While the nearer waters roll,  
While the tempest still is high;  
Hide me, O my Saviour, hide,  
Till the storm of life is past;  
Safe into the haven guide,  
O receive my soul at last!

2. Other refuge have I none,  
Hangs my helpless soul on thee;  
Leave, ah, leave me not alone,  
Still support and comfort me.  
All my trust on thee is stayed,  
All my help from thee I bring;  
Cover my defenceless head  
With the shadow of thy wing.

3. Thou, O Christ, art all I want;  
More than all in thee I find;  
Raise the fallen, cheer the faint,  
Heal the sick, and lead the blind.  
Just and holy is thy name,  
I am all unrighteousness;  
False and full of sin I am,  
Thou art full of truth and grace.

4. Plenteous grace with thee is found,  
Grace to cover all my sin;  
Let the healing streams abound,  
Make and keep me pure within.  
Thou of life the fountain art;  
Freely let me take of thee;  
Spring thou up within my heart,  
Rise to all eternity.
